

Operational Plan Update Stage 2
March 7, 2022

Our decisions are based on the needs of our entire community at this current date, including the age of our students and the eligibility for vaccinations and the decline of COVID cases.

Primary Campus

- Indoor masks are **not optional at this time based on eligibility of vaccinations (this will be reviewed after Spring Break if cases continue to remain low)**
- Children and adults can wear cloth 3 ply or continue to wear KN95 and N95 masks
- Outdoor masks are optional
- Children from all classrooms can play together on the playground and campus
- Parents can attend Birthday celebrations, observations, tours and school led events
- Parents can volunteer (contact your individualized classroom)
- No more travel requirements for anyone (eg. no more test and stay or quarantine).

Elementary Campus

- **Indoor masks are optional at this time**
- Outdoor masks are optional
- Children from all classrooms can play together on the playground and campus
- Parents can attend Birthday celebrations, observations, tours and school led events
- Parents can volunteer (contact your individualized classroom)
- No more travel requirements for anyone (eg. no more test and stay or quarantine).
