Distance Learning Work Period Expectations

Prepared Environment Considerations

- Comprehensive cubby proximate to online space
- Each child separate device / space
- Space choices and evolving evaluation for work period
- Receive and Submit / Return work in hardcopy and electronic
- Calendar, Clock, Timer as needed

(To Be More Detailed)

Work Period Expectations

➤ Daily

- Standard and evolving Learning Journal for all work and lessons
- Work Planning
- Lesson practice for essential skills – directed / independent choices
 - Literature Circle reading, response, discussion preparation (Beginning Weeks 2-3)
- Read Aloud Listening and Written Responses -3-5 days per week online / journal
- Math Facts mastery
- Math practice – Individual / Group determination for Saxon, Khan Academy, Dreambox, IXL, TBD
- 30 minutes daily reading from Upper Elementary list
- Movement choices / directed
- Care of the environment (at minimum work space and work

➤ Weekly (frequency is individually / group based)

- Lesson follow up with choice that is independent / directed based on interest
- Growth Mindset activities and responses (assigned)
- Limited, evolving lists and directions for skills and investigations that come from Society's expectations of 4th-6th grade
- Independent projects that are Guided
- Geography – map standards
- Science experiments and writeups
- Mr. Braden's work followup
- Organization of work, work in progress, finished work for conferencing
- Roots, Prefixes, Suffixes work

➤ Daily / Weekly Work Plans and Choices In addition to above

(may be individually / group expected) Specific directions and resources may be provided

- Nature Journal / Sit spot
- Handwork
- Drawing from observation
- Drawing from guided instruction - Ex. Comprehensive drawing skills book

- Spelling / Grammar
- Cursive Practice book / sheets
- Calligraphy
- Keyboarding program (full cycle required)
- Nonfiction reading and response (Basic response guidance will be provided)
- 1-2 Independent projects / research – directed process with milestone dates
- Cooking / meal preparation
- Choices of topics / Skills from Society's Expectation List
- Foreign Language study (ex. online program or Latin workbook)
- Family directed Care of the Environment project
- Community service project – service to Rockwood / Cedars / city / country / world
- Choices from Google Classroom (some require submission)
- Choices from a Master List of "Home" work that resembles traditional 100 Hour Inspirations
